

International Partnerships

The school is in contact with establishments throughout Europe and the world. Places where the students can apply to go to are listed on this page.

ERASMUS + partnerships

ERASMUS + (European Action Scheme for the Mobility of University Students) is a European programme of mobility enabling students to leave to study in another recognised establishment.

In 2014 éсадтpm obtained the ERASMUS + charter enabling students and teachers to participate in this mobility programme. Thanks to the ERASMUS + programme students and teachers can receive financial aid for the duration of their stay in the recognised establishment. This practice enables cultural horizons to be widened and further knowledge to be gained.
