

## Outgoing mobility

ésadtpm is determined to continue and expand their project of internationalisation and opening their doors to the world, as well as to facilitate mobilities of any sort.

In this section, we'll help you find the right mobility.

### In this section

#### INTERNATIONAL MOBILITY

Thanks to our academic network, students have the opportunity to study abroad or do an internship abroad. For more information, please consult the french version of this page.

#### MOBILITY GRANTS

To encourage mobility, ESADTPM offers various forms of financial assistance.

#### STAFF MOBILITY

The teachers and the administrative staff of ésadtpm can benefit from the international mobility policy thanks to the ERASMUS + programme and the partnerships developed by the school outside ERASMUS +.

#### RESIDENCIES

Every year, the Miramar network organises residencies abroad for graduates of their schools.
